June 2022

Dear Friends and Visitors,

The month of June is always an amazing month, and you may wonder why. Because IT'S GREEK FESTIVAL TIME for the St. Nicholas Community.

As the Parish Priest, I take pride in welcoming everyone to our Annual St. Nicholas Greek Folk Festival. It is times like these after the winter months when flowers and trees begin to blossom, when we realize that "Springtime" is here to bring to us an atmosphere of fun and excitement. The Greek people are always known for their generosity and hospitality. But we are also known for our great Greek cuisine and our delicious pastries. During these three days we will open our hearts to share with you our traditions, heritage, and culture with each other in fellowship. Over the years we have seen our St. Nicholas Community grow and prosper. This is due to the tens of thousands of you, our faithful friends who have supported our Festival throughout the years.

I personally would like to express my gratitude to our State, and City Officials, Community Partners, and Sponsors, for their support and assistance in making our festival once again a sight to focus on while our visitors are enjoying the three-day festivities. Because of the hard-working parishioners that we have in our parish, this festival has become what it is today, I would like to give the majority of the credit to our hard-working Ladies, who spent hours and days preparing the delicious food and pastries for your enjoyment. Also I would like to thank, our Parish Council members, our Youth Group, our Hellenic Golden Coins/Senior Dancers, our Greek School P.T.A., our Finance committee, our Raffle committee, our Album committee, our Volunteers, and our Kitchen Crew, who have spent endless months and hours in preparation to make sure that our Festival once again is a great success.

So, on behalf of the entire family members of the St. Nicholas Parish, myself, the Festival Committee Staff, and all the volunteers, we thank you sincerely from the bottom of our hearts for joining us once again in making our Greek Festival possible through your love and faithful support.

May the blessings of our Lord Jesus Christ be with all of you.

Looking forward to seeing everyone at the festival!

Respectfully,
Fr. Michael L. Pastrikos
Protopresbyter

June 2022

My beloved parishioners and friends of the Greek Orthodox Church of St. Nicholas.

We welcome you to our Parish Festival with great joy and love and we promise that you will have a great time and we hope you will have the most beautiful memories that will bring you back every year with your family and friends.

With the blessings of our priest, Father Michael Pastrikos, the support of our secretary, Maria Salpeas, the solidarity of all of the Church Organizations and other Organizations and the members of St. Nicholas and the numerous volunteers, we always come together every year — like one big family to assure the success of our church's Greek Folk Festival.

We thank with deep appreciation, our Chairpersons, Captains and organizations for the countless hours of work they dedicated ensuring that everything was ready for a successful festival.

Come and join us and taste our delicious Greek dishes, watch our talented Dance troupes as we share with you our Culture, Traditions and our way of Life. We encourage you to stop by our church, our Greentown Square and the many kiosks that will offer you many commemorative gifts for everyone.

The Board of Directors of St. Nicholas and I Thank You from the bottom of our hearts...our Volunteers who help make our festival better and better every year. We also want to say Thank You to you, our visitors, who honor us with your presence.

May the Blessings of our St. Nicholas be upon you and may he grant you and your families much health and happiness.

THE BEST IS YET TO COME!
HOPE YOU HAVE A GREAT TIME!

With Best Regards,

Stamatia Ieromonahos,

Over the next three days our goal is to provide you with memorable experiences. Take time to follow our cooking demonstrations, listen to traditional and modern Greek music, and watch traditional Greek folk dancing performed by the youth and adults of our community and our sister churches across Maryland and Virginia. Please visit our lovely vendors. Let's not forget to mention all the delicious Greek food, pastries, and drinks we invite you to enjoy.

I would like to take a moment to thank our incredibly dedicated volunteers who have been tirelessly working months in preparation of this weekend. Specializing in prosthodontics, periodontics, endodontics, and general dentistry, Greater Baltimore Prosthodontics combines technology with a personal touch to provide outstanding care. We handle the most complex cases, from dental implants to dental reconstruction, as well as aesthetics and normal oral function, and have an in-house lab. And we've added at-home sleep studies as a service.

Specializing in advanced reconstruction, our practitioners have been repeatedly named Top Dentists in Baltimore's annual peer survey. They include Dr. Michael Linnan, recognized by the American Dental Association as an expert in restoration and tooth replacement, Dr. Maya Brooks, who performs cosmetic and restorative procedures, Dr. Arash Mike Rostami, who focuses on periodontal and implant reconstruction, Dr. William Wahle, a prosthodontist specializing in dental reconstruction and aesthetics, and Dr. Pegah Ghiassi, an endodontist specializing in root canal therapy.

Because patient safety is a primary concern, our practice has always made infection control a top priority, but now has increased infection-control protocols in reaction to COVID-19. We are here for you and your dental needs.

CLASSIC BAKLAVA

Recipe courtesy of Evelyn Hartofilis Loukas

INGREDIENTS

1 pound butter melted
1 pound box phyllo
1 pound chopped walnuts
½ cup sugar
1 ½ tsp. cinnamon

Syrup

2 cups sugar
2 cups water
1 tsp cinnamon
½ tsp ground cloves

Whole cloves for decoration
1 - 11x15 inch pan buttered

Preheat oven to 350-375

PREPARATION

Combine chopped walnuts with sugar and cinnamon - set aside.
Place sugar, water and spices in a pot. Bring to a slow boil, then simmer stirring occasionally.

ASSEMBLY

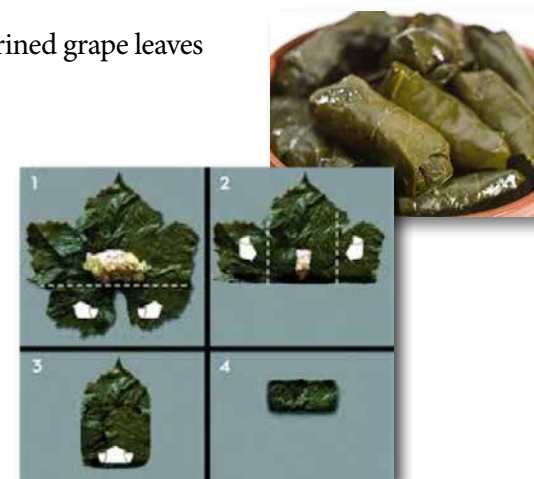

- Set out buttered pan and begin to layer phyllo sheets buttering each one as you go. Layer 5 sheets then add a layer of nut mixture continuing until all sheets and nut mixture are used.
 - Allow at least four sheets for the top layer.
 - Once finished layering, cut into diamonds or square shape.
 - Place a whole clove in each piece, then pour remaining melted butter on top.
 - Bake at 375 for 30 minutes, checking at the 30-minute mark.
 - If it's not golden brown and crispy looking, bake an additional 10 minutes more.
 - Remove from oven and immediately ladle the hot syrup on top of the hot baklava. It will begin to sizzle.
 - Let it rest for about 20 minutes to soak up the syrup.
- Enjoy!

DOLMATHAKIA (Stuffed grape leaves)

Recipe courtesy of Trish Kontoudis

INGREDIENTS

50-60 fresh grape leaves or 1 jar (16 oz.) brined grape leaves
1 cup olive oil (divided into ½ cups)
4 large yellow onions, minced
2 bunches spring onions, chopped
1 1/2 cups uncooked long grain rice
1 cup fresh dill, chopped
1 cup fresh mint, chopped
2 tsp. salt
1/2 tsp. freshly ground black pepper
Juice of two lemons (divided into ½ cups)

PREPARATION

- Rinse the leaves well with warm water a few times to remove brine. Place the leaves in boiling water and boil for 3 to 5 minutes to soften them. Remove from water and set aside.

Filling

- In large bowl combine rice, dill, mint, onions, ½ cup olive oil, ½ cup lemon juice, salt and pepper.
- Line the bottom of a heavy saucepan with two layers of grape leaves.
- Place a leaf with the stem towards you on a flat surface. The underside of the leaf should be face up. The shiny side should be face down. Cut off the stem of the leaf.
- Place a tablespoon of filling in the bottom center of the leaf, just above the stem. Fold the bottom section up to cover the filling. Fold the sides in towards the center. Continue rolling the dolmathaki up towards the top point of the leaf. Place the rolls tightly in a circular pattern and in layers in the saucepan. Be sure to place the packets with the seam on the bottom so that they do not unwrap during boiling.
- After you have a complete and final layer, pour remaining 1/2 cup olive oil and ½ cup lemon juice over the dolmathakia and enough water to cover them by about an inch. Place an inverted heatproof plate on top of the rolls to keep them submerged in the water. Cover the saucepan and bring to a boil. Lower the heat and simmer over low heat for 45 minutes to an hour or until the leaves are tender and the rice filling is cooked through.
